

# Electronic Quiz Card

**Objectives:** As a result of this activity, students will learn about electrical circuits, insulators and conductors.

The Electronic Quiz Card kit is a fun way for students to learn about electricity basics. Student will create electronic quiz cards and come up with questions and answers for their study guide on electricity.

**This kit includes:**

- Manilla folders
- Index cards
- Large paperclips
- Aluminum foil
- Electrical tape
- AA batteries
- Alligator clips
- Christmas lights

\*Any materials that are lost or broken during classroom use must be replenished before being returned.
