

Electronic Quiz Card

Objectives: As a result of this activity, students will learn about electrical circuits, insulators and conductors.

The Electronic Quiz Card kit is a fun way for students to learn about electricity basics. Student will create electronic quiz cards and come up with questions and answers for their study guide on electricity.

This kit includes:

- Manilla folders
- Index cards
- Large paperclips
- Aluminum foil
- Electrical tape
- AA batteries
- Alligator clips
- Christmas lights

*Any materials that are lost or broken during classroom use must be replenished before being returned.
